EFTHIMIOS ANTONIOS PILARINOS

Junior Full-Stack Developer

About

Passionate Junior Full-stack Developer offering strong foundation in both front-end and back-end technologies, with comprehensive understanding of the software development lifecycle and hands-on experience in building end-to-end web applications. Proficient in front-end technologies such as JavaScript, Angular, and CSS frameworks, as well as back-end technologies such as C#, Java, and SQL databases. Strong collaboration and communication skills, enabling effective teamwork and client interaction. Seeking challenging projects to utilize my full-stack development expertise and contribute to the success of dynamic organizations.
